## We've got birthday parties down to a science....hands-on, FUN science!

Designed for children ages 4 and older, High Touch High Tech provides hands-on, FUN sizzlin' science birthday parties that are totally participatory, totally safe and totally age appropriate for each and every child.

Each child becomes a REAL scientist performing REAL experiments!

Our sizzlin' science birthday parties combine the most exciting experiments to create FUN science memories that will last a lifetime.

Party packages include:

- A scientist that comes to your party location.
- A fun-filled, fast paced 75-minute science adventure.
- All science supplies and materials.
- Participation for the birthday child and up to 14 of his/her friends. (\$5.00 fee for each additional child). Parents & chaperones are free of charge.
- Take-home experiments for each child.
- Science certificate of participation for each child.
- Special science gift for the birthday child.

Sizzlin' Science Birthday Party Themes Include:

- Super Science Party
- Hair Raising Party
- Panning For Gems Party
- Crazy Chemistry Party
- Fossil Fun Party
- Alien Space Blast Party
- Doctor Scientist Party

Exciting Extras To Add To Any Party Package:

- Rocket Launch
- Hair Raising Machine
- Panning For Gems
- Extra Experiments

Rest assured that the Scientist who comes into your home is a professional educator who works year round fueling the imaginations of children in WNC area schools.

Scientist party schedules fill up quickly! Call today for reservations and availability. Please note that a \$50.00 deposit is required to hold your reservation date.

High Touch High Tech is also available to provide hands-on, science FUN for private parties, company picnics, special events, holidays and corporate events.
