## Science Made Fun!

### MA, RI and Next Generation Science Standards and Aligned HHTNE Programs for Grades K-5

Science Standards	HHTNE Programs
<b>Earth and Space Science</b>	
ESS1 – Earth’s Place in the Universe	Cosmic Capers© Reason for the Season© Dig It©
ESS2 – Earth’s Systems	Weather or Not© Meteorology Madness© ‘Fun’omena© Dig It©
ESS3 – Earth and Human Activity	Fun’omena Soil is Alive!©
<b>Life Science</b>	
LS1 – From Molecules to Organisms	ExSEEDingly Cool©, Smarty Plants© Let’s Make Sense©
LS2 – Ecosystems LS4 – Biological Evolution	Get Buggy© Survive and Thrive© Sea Ya Later© Down Deep© Extreme Scene© The Chain Gang©
LS3 - Heredity	The Print Shop© Forensic Fun©
LS4 – Biological Evolution	Jurassic Jr.©
<b>Physical Sciences</b>	
PS1 – Matter and Its Interactions	What’s the Matter© Matter Matters© Dig It©
PS2 – Motion and Stability: Forces and Interactions	Balance, Motion and Newton© Friction Gives Me Traction!© Magnet Makers©
PS3 - Energy	Edison’s Workshop© Let the Sun Shine In© Friction Gives Me Traction!© The Power of Light© Sounds Like Fun/Vibes© The Chain Gang©
PS4 – Waves and their Applications	Sounds Like Fun/Vibes© The Power of Light©
<b>Technology/Engineering</b>	
Simple Machines	Finally Fun Machines©
ETS1 – Engineering Design	Beams, Bridges and Columns©
