

High Touch-High Tech®

Science Experiences That Come To You

Preschool Programs

Program Name	
Bubble Blast©	Have fun doing bubble tricks and playing bubble games. Learn the basics of bubble making and bubble blowing. Create cool bubbles and take home your own bubble blower!
Can You Sense It?©	Learn about our sense of touch, hearing and taste. Find out why food doesn't taste so yummy when you have a cold.
Chemystery©	Take the mystery out of chemistry and have FUN at the same time. Uncover the facts as we make silly putty and colors separate right before your eyes.
Copycat©	Reveal nature's sneakiest copycats! Discover how animals and insects mimic other species for protection. Have FUN as we learn about the tricks of the animal world.
Edible Science©	Science like you have never seen or tasted.
Energiee & Me©	Discover the properties of electricity. Have fun as we make things work with electricity.
FizzFun©	Have fun as we learn about chemicals and the way they behave. Inflate a balloon, create carbon dioxide gas and make soda fizz!
FOAM-tastic©	Discover the fascinating science behind Foam! Learn how to create foam and even make it Erupt! You will work as a team to form tasty foam that goes great with crackers to reward your scientific discoveries!
Forces©	Have a hands-on look at the forces of physics! Explore air pressure and gravity. Learn why things at rest stay at rest and much more!
Fossil Fun©	Step back in time to the age of dinosaurs. Become a paleontologist as we explore real fossils. Go on an excavation and whatever you find you get to keep...
Germs Make Me Sick©	Learn about those nasty little germs that make us sick. Find out how easily germs can be passed around and how you can keep germs off you!

High Touch-High Tech[®]

Science Experiences That Come To You

Gold Rush©	Step back into the days of the Gold Rush. Pan for real gems like the old prospectors did, and keep what you find.
Good Vibrations©	Learn all about how vibrations make sound. Listen as sound waves travel through solids, liquids and gases. Play a super fun sound game and take home your very own kazoo!
Let the Sun Shine In©	Learn all about the sun. Discover the light from the sun that we cannot see and how to protect ourselves from it.
Magnet Makers©	Discover all the cool properties of magnetism. Learn all the “attractive” facts!
Olfactory Fun Factory©	Discover our amazing sense of smell. Have FUN as we learn about the science of our senses. The fun continues as we have a Smelling Bee.
Rainbow Relays©	Turning one color into many colors! Learn about colors. Find out what color really is. Have FUN as we put colors together and we separate ‘em!
Reason for the Season©	Discover our 4 seasons. Have fun as we make the earth wobble. Make your own leaf rub, snowflake and more!
Shoot for the Stars©	Discover the incredible night sky. Explore the stars and even make your very own constellation, Discover shooting stars and even build your own stargazer to keep.
Smarty Plants©	Discover the incredible world of plants. Find out what makes these creatures so special. Uncover all the “seedy” facts.
Up, Up & Away©	Learn about aerodynamics. Make a helicopter. Have FUN as we learn about jet propulsion. Discover why what goes up must come down!
Where in the World is Your Home?©	Dive into the ocean to examine what lives under the sea. Help birds by making a donation to a bird’s nest.
