Summer Camp Workshops

All programs are totally hands-on and totally participatory for each child. All workshops are geared for the preschool through sixth grade child.

Summer Camp workshops last for 30-minutes. High Touch High Tech scientists can accommodate as many 30-minute workshops as necessary to meet the needs of your camp.

Scientists will engage each group of children in non-stop, hands-on, FUN learning. Programs include take home materials and each child will receive a science certificate.

The cost of this science and nature experience is \$3.50 per child. A \$10.00 travel fee may apply. All materials are included in this supply intensive, educational and fun experience. Book all 9 weeks and receive a \$.50 discount per child.

Science Experiences That Come To You

800.444.4968

www.ScienceMadeFunWNC.net

Make your summer camp sizzle with High Touch High Tech!

Programming Information:

Gas Blast©

Take off on our high energy adventure into the world of gasses. Discover how gasses are made naturally and chemically. Have a gas race. Build your very own anemometer and more!

Polymer Parade©

Have FUN as we learn about mixtures, reactions and polymers. Discover the "solutions" as we make different types of ooey-gooney stuff to keep!

Gold Rush©

Join the 49ers', the 1849ers' that is! Step back in time to the days of the old prospectors as we search for real gems. Everything you find... you keep.

Mighty Molecules©

Have fun as we learn about molecules. Discover why some things mix and some things don't mix! Learn why molecules are truly mighty.

Space, The Final Frontier©

Learn about space and gravity. How far can you jump on the MOON? Join the Lunar Olympics and find out!

Follow That Planet©

You'll be glowing as we discover space. Journey through the stars and build your own constellation. Make glow in the dark Space Mud to keep!

Nutty Newton©

Become a mechanic, a Newtonian Mechanic that is! Learn all about those incredible forces. Have fun as we experience the laws of physics.

Wacky Water Workshop©

Discover how cool water really is. Make water and alcohol have a tug of war with food coloring molecules! Stab a pencil through a plastic bag and not spill a drop of water!

Cool Coastal Science©

Make waves, explore sand, investigate beach creatures, make your own shell imprints and more.

Science Made Fun!

"The campers loved the interaction & didn't even realize they were learning. High Touch High Tech is a fantastic program for summer camps because it keeps children's minds fresh!"
