"Thank you for coming to our school. It was awesome how Isaac Newton discovered the effects of gravity and how to make a rainbow. I especially liked the car and rocket experiments. I never knew that science could be so fun!"

Bianca, 5th Grade
Athens Elementary
San Antonio, TX

"Dear Mr. Sonic, *The Crusher* experiment was so fun and cool. I told my mom about it. Thank you for everything."

Keiana, 5th Grade
Pershing Elementary
San Antonio, TX

"Thank you for coming to our school. I learned a lot about forces. I took notes down as you were talking so I probably missed some stuff but I got most of it. I really liked the experiment with the pulley because we got the black monster truck! I've been practicing at home with the caps on my elbow and I'm getting pretty good."

Brandon, 5th Grade
Athens Elementary
San Antonio, TX

"Thank you for showing us *The Crusher*. I really liked it when the soda bottle fell down and everybody jumped up!"

Alyssa, 5th Grade
Pershing Elementary
San Antonio, TX

"I really enjoyed the experiments we did and the fun we had. I learned a lot of interesting things about forces. I liked when we went outside to launch rockets. It was scary not knowing when it will pop! You had to race against time. Thank you for letting us have fun while learning!"
