

Make your summer camp Sizzle with High Touch High Tech hands-on science programs

Programming Information:

Space...The Final Frontier©

Learn about space and gravity. How far can you jump on the MOON? Join the Lunar Olympics and find out! Experience a real launch, from rocket assembly to BLAST OFF!

Rock & Roll©

Discover the wonderful world of rocks. Pan for gems, become a real geologist as you classify your rocks. Take home an assortment of real beauties, maybe even gold!

Edible Cells©

Explore some cool biology as we eat what we make! Make gummy candies and more. Make your own slimy cell to keep!

Mystery Science©

Discover how mysterious science can be. Make something disappear! Learn some cool magician's tricks.

Nutty Newton©

Become a mechanic, a Newtonian Mechanic that is! Learn all about those incredible forces. Have fun as we experience the laws of physics.

Take a Chill Pill©

Cool off your day with wacky water science. Use science to make our own ice cream!

ADDITIONAL PROGRAMS AVAILABLE

Bugs, Bugs, Bugs©

Learn the difference between a bug and a spider. Examine real bugs and see for yourself how an insect really sees the world. Make a bug that you can even EAT!

Light Fever©

Pull out your psychedelic glasses to meet ROY G. BIV. Learn all the groovy news about light and how it travels. Develop your own Solar Picture.

Disaster! Disaster!©

Get ready to face disaster like you've never seen before. Erupt volcanoes and make a twirling hurricane. Find out the scoop on why these events happen!

"The scientist was awesome! Staff enjoyed it as much as the campers!"

Abby Morles
City of Richardson Summer Camp
Richardson, TX

"The children were totally focused and engaged through the whole presentation. They loved it. The scientist was excellent!"

Chris Ryan
St.Philip Apostle School
Northfield, IL

"Thursday's are always full of fun and excitement because of the science programs. The children really enjoy the hands on experience, and talk about what they did all day!"

Michelle B., Director
Kids R Kids #7
The Woodlands, TX

"I hear and I forget, I see and I remember, I do and I understand" -Confucius

Summer Programs

All programs are totally hands-on and totally participatory by each child. All workshops are geared for the preschool through sixth grade child.

Summer Camp workshops last for 40 minutes. High Touch High Tech scientists can accommodate as many back to back programs as necessary to meet the needs of your camp. Scientists will engage each group of children in non-stop, hands-on, FUN learning. Programs include take home materials and each child will receive a science certificate.

The cost of this science and nature experience is \$4.00 per child* (minimum applies.) All materials are included in this supply intensive, educational and fun experience. Book all 9 weeks or your choice of programs.

Call now for your reservation or visit www.ScienceMadeFunHOU.net. Book all 9 weeks and receive a \$10 discount per week.
