Summer Camp Workshops

EACH CAMPER WILL BE, "DOING SCIENCE, NOT JUST VIEWING SCIENCE!"

All programs are totally hands-on and totally participatory for each child. All workshops are geared for the preschool through fifth grade child.

Summer Camp workshops run for 30 minutes per group of 20-30 students and we can accommodate as many 30 minute workshops as necessary to meet the needs of your camp.

Scientists will engage each group of children in non-stop, hands-on, FUN learning. Programs include take home materials and each child will receive a science certificate.

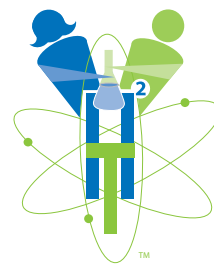

Our standard fee is \$3.75 per student with a \$150.00 program minimum, plus a \$10.00 travel fee per scientist per day. All materials are included in our educational and fun workshops.

Book all 9 weeks or your choice of programs.

SUMMER SCIENCE PROGRAM GUIDE

Science Experiences That Come To You

704.765.9273

<http://CLT.ScienceMadeFun.net>

Third Time's The Charm Promotion: Book 2 separate program dates of FUN science and get the third program date for half price!

Bubbly-ology©

Bubbles, bubbles, and more bubbles! Find Roy G. Biv in your bubbles, build a bubble city and race your bubble along our bubble race track!

Bugs, Bugs, Bugs©

Learn the difference between a bug and a spider. Examine real bugs and see for yourself how an insect really sees the world. Perform honey taste tests!

Crazy Chemical Concoctions©

Join us on a wacky adventure through all kinds of cool and crazy chemical reactions. Make colors explode and keep your crazy concoction!

Dinosaur Daze©

Step back in time to the age of the dinosaurs. Become a paleontologist and discover real fossils. Uncover the mysteries of the dinosaurs. Make your very own fossil!

Edible Science©

Every experiment you can eat! We make a cool molecule; we make gummy candy, and science soda!

Get Wired©

Explore the amazing world of electricity. Discover all the hair-raising facts!

Gold Rush©

Join the 49ers', the 1849ers' that is! Step back in time to the days of the old prospectors as we search for real gems. Everything you find... you keep!

Gravity Games©

Get ready for the games! Unlock the mysteries of this amazing force that affects us all. We'll experiment to find out what's really going down!

Mission Control©

Experience a real launch, from rocket assembly to BLAST OFF! Become a crater maker, learn about revolutions and more!

Primarily Plants©

Discover how cool plants really are. Build your very own greenhouse, see an embryo, and get all the "seedy" facts.

The Body Shop©

Take a deep breath as we become biologists and listen to our heartbeat with real stethoscopes. Discover your reflexes. Explore the world of vaccines as we work with syringes and more!

Volcanoes©

Become a volcanologist and discover the Ring of Fire. Explore the awesome world of volcanoes as we move magma and erupt them!

Science Made Fun!

"Our children had a ball, and really enjoyed their time as geologists. What a fun and educational experience! I'd be glad to recommend High Touch High Tech to other programs!"

Ms. Solbakken
Huntersville Presbyterian Church
Huntersville, NC

"Excellent program for our campers. Can't wait for the other programs!"

Mr. Case
Tabernacle Summer Camp
Hickory, NC

"Excellent topics for theme of our summer camp. Great speaker. Wonderful teacher."

Mr. McCants
Hickory Grove Rec. Center
Charlotte, NC

"This was an excellent lesson today! The children loved it and it was very age appropriate!"

Ms. Kassie
The Learning Experience
 Mooresville, NC

9 Week Promotion: Book all 9 weeks and receive a \$.50 discount per camper!
