

Sizzlin' Science Birthday Parties at

We've got Birthday Parties down to a Science! At "The Lab" in Wellington your child and his/her friends will have a blast being a REAL SCIENTIST and conducting FUN hands-on experiments. Leave the party to us!

All Party Packages Include:

- Tornado Tube for Birthday Child
- Choice of any of our Awesome 45 minute Themed Science Birthday Parties
- Invitations for your guests
- Use of our really COOL Hands-On Lab
- Papergoods
- Helium balloons attached to the Birthday child's chair
- Design your own Goody Bag with FUN Science related take-homes
- Lab Facilitators for assistance in set-up & clean-up to ensure a smooth running party

Party Package #1: Science & Cake Party (cake & beverages brought by parents) - Total time at "The Lab" is 1 ½ hours. **Science Party Fee:** \$350.00 for up to 15 children / \$10.00 for each additional child. **We accept check/cash only.** Your guests will come into the lab and have 15 minutes to explore and interact with all the hands-on manipulatives available. Junior Scientists will then personalize their goody bags prior to the start of the party. The young "scientists" will be engaged for 45 minutes in exciting and FUN experiments that relate to your chosen theme. Our Facilitators will then assist with serving the cake as we conclude your awesome Birthday Party.

Party Package #2: Science & Lunch or Dinner/Cake Party (food, cake & beverages brought by parents) Total time at "The Lab" is 2 hours. **Science Party Fee:** \$400.00 for up to 15 children / \$10.00 for each additional child. **We accept check/cash only.** This package allows you to bring your own food for your guests. Same details as in Party Package #1 except our Facilitators will assist with serving your guests lunch/dinner and cake (that you provide) directly following the science party.

**An additional experiment can be added to any Birthday Party for a set fee of \$75.00. This will add 15 minutes to the time of your Party. See Party Theme description page for choices.*
