Summer Camp Workshops

All programs are totally hands-on and totally participatory by each child. We offer workshops for preschool through junior high.

Summer Camp workshops last for 30-minutes. High Touch High Tech scientists can accommodate as many 30-minute workshops as necessary to meet the needs of your camp.

Scientists will engage each group of children in non-stop, hands-on, FUN learning. Programs include take home materials.

The cost of this science and nature experience is \$4.00 per child . A \$10.00 travel fee may apply. All materials are included in this supply intensive, educational and fun experience. Book all 9 weeks and receive a \$.50 discount per child.

Science Experiences That Come To You

847.292.1124

www.ScienceMadeFunCHI.net

Make your summer camp sizzle with High Touch High Tech!

Programming Information:

Bubble Blast ©

Have fun doing bubble tricks and playing bubble games. Create cool bubbles and take home your very own bubble blower.

Polymer Parade ©

Have FUN as we learn about mixtures, reactions and polymers. Discover the "solutions" as we make different types of ooey-goey stuff to keep!

Rock & Roll ©

Step back in time to the days of the old prospectors as we search for real gems. Everything you find, you keep!

Crazy About Chemistry ©

Roll up your sleeves for some CHEMISTRY FUN! Make your very own sidewalk chalk and more!

Lab 101 ©

Use chemicals to make slippery slime. Learn all about acids and bases with our special indicator as chemicals magically change color instantly.

Mission Control ©

Experience a real rocket launch, learn about escape velocity, and throttle the space shuttle yourself. Enjoy astronaut freeze dried ice cream and more.

Weather Wizards ©

Feel the pressure...air pressure that is! Make water travel up, against gravity! Explore thunder and touch lightning!

Get Buggy ©

Learn the difference between a bug and a spider. Examine real bugs and see for yourself how an insect really sees the world. Make a bug that you can even EAT!

Jurassic Jr. ©

Explore the world of Paleontology. Observe REAL fossil & bones. Excavate fossils to keep!

Science Made Fun!

"We love having High Touch - High Tech here. It's so much fun for the kids. You always have GREAT program!"

Program Director
Northfield Park District

"Thank you for your great experience for our children. They all loved it and I will be in touch to book more programs."

Anne Robert
Children's World Learning Center
Arlington Hts., IL

"We had you out last year, and the students had a blast! It was a great culminating activity for us to end our unit with."

Heather Trausch
Third Grade Teacher
Lake Louise Elementary School
