HANDS-ON FUN!

Preschool Workshops

High Touch High Tech can help your preschool stand out from the competition. We continue to nurture budding young minds with our amazing programs specifically designed for preschool age children. Our programs are totally hands-on and totally participatory for each child.

High Touch High Tech scientists will be at your preschool for 90 minutes. Scientists will engage each group of children for 30 minutes of non-stop, hands-on, FUN learning.

The cost of this science and nature experience is \$4.50/Student with a \$200.00 per program. All materials are included in this educational and fun experience. Please note that a \$20.00 travel fee may apply.

Book your reservation by calling or visiting us online at ScienceMadeFun63.net.
