

# High Touch High Tech **Summer 2018**

## X-TREME SCIENCE X-PERIMENTS

*With hands-on S.T.E.M. activities led by degreed professionals*

**WE COME TO YOU**

**YOU COME TO US**

**INDIVIDUAL VISITS**

**WEEK LONG HALF DAY CAMP**

**WEEK LONG FULL DAY CAMP**

**45-90 MINUTE PROGRAMS**

**MULTIPLE TIME SLOTS PER DAY**

### AMAZING ARTHROPODS

Get **BUGGY** as we see the difference between insects & arachnids.

### GEOLOGY ROCKS

Learn about rock and mineral characteristics and even keep a sample of **FOOLS GOLD**.

### SMARTY PLANNTS

Get all the **SEEDY** facts on what makes a plant grow and take home a terrarium!

### MISSION CONTROL

Rocket Science is as fun as it gets when **YOU** are the launch pad!

### ENERGY AND ME

Get **ENERGIZED** with solar panels, prism glasses, electrical circuits and more!

### WATER WORKS

Investigate and test this liquid of life and even **EAT** a model of a water molecule.

### CHEMISTRY SENSATION

Roll up your sleeves and make **SCIENCE PUTTY** you keep!

### SOUNDS ABOUND

**"TUNE IN"** to the science of sound with tuning forks, palm pipes, thumb pianos and wave modulators.

### TORNADO ALLEY

Measure atmospheric pressure with weather instruments, suction cups, tornado tubes, and wind bags.

### VOLCANOES

Explode with laughter as we mix chemicals to erupt volcanoes.

**SPECTACULAR SCIENCE CAMP**

**9am-12pm and/or 1pm-4pm**

\*Become a Chemist by making glow in the dark silly putty and fake snow.

\*Explore the natural wonder of space as we take a mission to the Solar System & get splashed as you become the human launch pad for our famous water rockets!

\*Become a physiologist as we examine real cow hearts, kidneys, eyeballs, and brains. Touch if you dare!

\*Examine fossils, skulls, snake skins, animal tracks and owl pellets as we turn you into ecologists. Meet our pet tarantula and all of our bug friends.

\*Experiment with magnetism, energy and physics using cranes, both electromagnetic and man powered. Get energized with electrical circuits! Race magnetic cars & levitate rings.

\*Can you splash someone with sound energy? You can at camp!!

Have a **BUS**? Send them to US!

**X-TREME SCIENCE CAMP 9am-3pm**

Choose the camp nearest your location. Load up the kiddos and drop them off for a fun filled week of **X-TREME SCIENCE X-PERIMENTS** with daily hands-on STEM activities. 6 locations.

From 9:00 am to 3:00 pm

Campers can experience: robotics, chemical reactions, fossils, bugs, rockets, gem digs, virtual reality, programming, engineering games, real hearts and brains, space, geysers, Legos™, tablet apps, Bloxels™, circuits, Mindstorms™, volcanoes, & more!
