

### Bubble-ology©

Learn about the electromagnetic spectrum with our Bubble BIV experiment. Build a bubble city! Start your engines for our bubble races!

### Drip Drop©

Get up close and personal with several different types of droplets. Learn about cohesion with a paperclip float, a bubble tower and much more!

### Gas Blast©

Discover how gases are made naturally and chemically. Have fun in our gas races. Build your very own anemometer and much more!

### Going in Circles©

Make bubbles go in circles and build your very own Loop Plane to keep!

### Go With the Flow©

Discover the amazing science of how things flow. Have FUN as we learn about erosion 3 different ways and observe the way air and water flow!

### Kitchen Chemistry©

Roll up your sleeves for some CHEMISTRY FUN straight from your kitchen! Make your very own sidewalk chalk!

### Lab 101©

Learn all about acids and bases with our special indicator as kitchen chemicals magically change color instantly.

### Light Fever©

Pull out your psychedelic glasses to meet ROY G. BIV. Learn all the groovy news about light and how it travels. Develop your own UV bracelet.

### Mission Control©

Experience a real launch from assembly to BLAST OFF! Learn about escape velocity and calculate the altitude of your rocket.

### Nutty Newton©

Channel Sir Isaac Newton and learn all about his laws of motion. Explore forces as you pull a tablecloth, capture air and pass bubbles.

### Rock & Roll©

Discover the wonderful world of rocks. Pan for gems, become real geologists as you classify your rocks. Take home an assortment of real beauties.

### Totally Tasty Science©

Science like you've never seen or tasted! YUM! Make your own butter, lemonade, and more!

# Science Made Fun!

*We love that High Touch High Tech Programs are run by degreed teachers.*

**Great Programs  
Tenafly, NJ**

*We loved having High Touch High Tech at our school. They have been doing multiple programs at our schools for over 10 years.*

**Programs Align With Standards  
Essex County, NJ**

*We love that High Touch High Tech Programs align with state science Standards*

**Programs Run By Teachers

## SUMMER SCIENCE!

### No Bus, No Fuss!

Bring the wonder of science & nature to your campers this summer! Our innovative & interactive summer workshops encourage kids to explore their natural curiosity for science with our exciting programs, geared for the preschool to sixth grade child.

Scientists engage each group of campers in 30-minutes of non-stop, hands-on, FUN learning! Our scientists can accommodate as many 30-minute workshops as necessary to meet the needs of your camp.

All materials & equipment are included in this supply intensive, educational and fun experience. Each child will make their own experiment to keep.

- Reservations are required
- Ask about our Summer Camp specials!
